Satin Brass (Finish ID:13)

ALHAMBRA APPLIANCE PULL

“The architecture of the Alhambra palace is drawn from a mix of cultures and decorative elements, Moorish poets described it as a pearl set in emeralds. Our Alhambra suite is inspired by the columns in the palace, characterised by their elegance rather than grandeur.”

Aged Brass (Finish ID:4)

LEOPARD APPLIANCE PULL

“The hammered effect has an appealing decorative quality, applied by hand it creates a texture that stimulates the senses of sight and touch that cannot be recreated by machine. Aged brass creates unique patina and warmth, polished nickel makes handles and knobs look like pieces of jewellery”

Aged Brass (Finish ID : 4)

ODEL APPLIANCE PULL

“Whileknurled patterns have proved popular on our Jazz and Harlequin suites architects and interior designers challengedus to make a more masculine look and feel. The result of which we are justifiably proud is the Odel suite of square knobs, rectangular cup pulls and handles, the stepped detail allied to a high degree of precision and skill has created a tactile product with stunning contrasts and definition.”
